It has been discovered that on page 10 of the 1949 Annual Economic Report for Nigeria (Consulate General's despatch No. 71 of February 10, 1950) in the penultimate paragraph mention is made of the size of Nigerian Tobacco in tons. This is of course incorrect and the figures 500,000 tons and 750,000 tons should correctly read 500,000 lbs. and 750,000 lbs.

For the Consul General:

Harris H. Williams
American Vice Consul

Copy to Office of the Administration's Special Representative, Economic Cooperation Administration, % American Embassy, Paris.

Copy to American Embassy, London.
